EYE OF THE TIGER

GO TIGERS!

Risin'up-back on the street, did our time took our chances. Went the distance now were back on our feet, Just a school and our will to survive-It's the Eye of the Tiger it's the thrill of the fight Rising up to the challenge of our rival, And the last known survivor stalks his prey in the night. And he's watching us all with the Eye of the Tiger.....

TIGER POWER!

Risin'up-straight to the top. had the gut, got the glory. Went the distance, now were not gonna stop, Just a school and our will to survive-It's the Eye of the Tiger, it's the thrill of the fight. Rising up to the challenge of our rival, And the last known survivor stalks his prey in the night, And he's watching us all with the Eye of the Tiger.
